

Member Notice – 2025_0002

Date: 4th March 2025

Priority: High

Venue(s): Aquis Exchange PLC (AQXE), Aquis Exchange Europe (AQEU) & Aquis Stock Exchange (AQSE)

Subject: Aquis Hardware Upgrade in Digital Realty LON1 Datacentre – Testing Recommended

Overview

Aquis Exchange would like to advise members, vendors and market data recipients of planned upgrades to some of Aquis' mid-tier hardware in the Digital Realty LON1 datacentre (previously known as 'Interxion' LON1).

The upgrade will take place on the evening of Friday 14th March 2025 from 18:30 to 22:00 (UK time).

Customers of Aquis Exchange UK (AQXE), Aquis Exchange EU (AQEU), and Aquis Stock Exchange (AQSE) are advised to test connectivity for C feed market data and order entry post the change.

Weekend testing & actions required

- Connectivity and market data heartbeats for these three platforms will be available on 15th March from 9am –12am (UK time).
- Market data from the Production environment may still be broadcast – firms are advised to disregard this.
- Any member trading sessions that connect over the weekend must have their sequence numbers re-set in preparation for the start of business 17th March 2025.

If you have any questions, please contact the Aquis Exchange Support team on support@aquis.eu or call +44 (0)20 3597 6333.
